

QUICK FIX

A comfortable soft sling and swath material provides a quick, versatile and economical solution to various support and immobilizing techniques.

QUICK FIX ROLLS

- Each roll packaged with 10 ties
- 2" x 20' (5cm x 6m) roll - Product # 18025
- 3" x 20' (7.5cm x 6m) roll - Product # 18003

QUICK-FIX is provided in 20 foot rolls and stored in a convenient dispenser.

QUICK FIX DISPENSER

- Size 13" deep x 13" high x x 10" wide
- Holds four rolls of **QUICK FIX** Fiskars® Scissors attached to dispenser
- Compartment conveniently houses ties
- Product # 18004

The dispenser houses four rolls with easy access. Simply pull out the measured amount and cut with the attached Fiskars® Scissors, or slide up the see-through gate to remove a full roll to take to your patient. Your supply is always visible.

EXTRA TIES

- Package of 100 ties - Product # 18007

Ten ties accompany each replacement roll and can be stored visibly in the holder attached to the dispenser (holds over 100 ties).
