Keir Surgical becomes Canadian distributor for Eagle Labs, an Innovia Medical Company

January 2019 – Vancouver, Canada – Keir Surgical Ltd., a Canadian surgical products company, is pleased to announce it has become the preferred Canadian distributor for Eagle Labs, an Innovia Medical Company. Eagle Labs, based in California, has been a leading manufacturer of single-use ophthalmic cannulae and microsurgical knives since 1988.

Patrick Haney, President of Keir Surgical states “Eagle Labs offers Keir Surgical a nice range of single use ophthalmic products that will complement our current ophthalmic instrument portfolio. Keir Surgical is excited to deepen our relationship with Innovia Medical and its family of companies.”

About Keir Surgical Ltd.

Keir Surgical Ltd. is a Canadian owned and operated surgical products company dedicated to providing its customers with quality products and service. Since 1923, Keir Surgical has been supplying Canadian hospitals with high-quality surgical instruments, headlights and light sources, sterilization containers and trays, and medical device reprocessing supplies.

About Innovia Medical

Innovia Medical combines the experience and expertise of Shippert Medical, Summit Medical, Network Medical Products and Eagle Labs to help its medical professional partners elevate the delivery of care to improve patient outcomes.
