## MST's New Excisional Goniotomy Line

*Achieve complete edge-to-edge trabecular meshwork (TM) removal!*

TRABEX™

Product Code: 600042

TRABEX+™

Product Code: 600021

### BENEFITS:

- Increased aqueous outflow
- Promotes enduring IOP reduction
- Provides lasting exposure of collector channels

### FEATURES:

- Laser-sharpened, serrated dual-blades engineered to cut the TM, not tear it
- Trapezoidal shape of blades allows customized excision of varying patient anatomies and TMs
- Unique 'rounded heel' of tip guides device along contour of Schlemm's Canal
- TrabEx+ offers all features of TrabeEx, but with added I/A function to improve control of anterior chamber and achieve ideal angle visualization in surgery
